Institute Distinctiveness

Innovation clubs: Institute has started innovation clubs in each department which provides opportunity for student to showcase their talent and trigger creative thinking and implement innovative project ideas. The motive behind this is to facilitate Self-learning and allow student to become more independent and take responsibilities of their learning. Through these clubs, students are taking initiatives to identify problem statement and finding solutions. Students are taking advantage to enhance their learning beyond classrooms and staying after college hours to continue their learning.

The following are various clubs which are operative in various departments and totally administered by students. Expert faculties monitor their progress and also share their technical expertise.

- IOT club:
- Data science Club
- Auto Club
- Potential Club

Many students are coming forward to participate in National and International competitions like SAEINDIA BAJA, ROBOCON, GO KART, SUPRA , AICTE hackathons. The result of this , student participation in the hackathons which are organized by the various industries and project competitions organized by the various industries is increased.

IOT club developed many innovative ideas and participated in various competitions which were acknowledged by smart India hackthon ,Quest inginium, IEEE TDCS, intech OLYMPIAD,AICTE Vishwakarma Chhatra award.

Through this initiative, total 11 students placed in KPIT and four are placed in Quest global private limited and also received many awards and cash prizes. Students along with faculty filed patent of their innovative ideas.
