MSME DEFENCE EXPO

Event Name	: MSME Defence Expo
Date	: 24 th Feb 2024
Location	: Moshi, Pimpri Chinchwad Maharashtra
Branch	: Electrical
Total No. of Student attended	: 135 (SE, TE, BE)
Faculty Coordinator	: Prof. Shubhangi Arbale
Faculty attended	: 06.

Objective: To provide insight into the latest trends, technologies, and innovations in the defence sector.

To give exposure to a wide range of career paths within the defence sector.

To provide hands on experience on various live demonstrations, interactive exhibits, and hands-on activities that allow participants to experience technology first-hand. Engaging in these activities can enhance practical skills, critical thinking abilities, and problem-solving capabilities.

Introduction:

The MSME Defence Expo held in Pune showcased the innovative capabilities and contributions of Micro, Small, and Medium Enterprises (MSMEs) in the defence sector. The expo aimed to foster collaboration, promote indigenous manufacturing and support the Make in India initiative in defence production.

Expo Overview:

The MSME Defence Expo in Pune served as a platform for showcasing the capabilities of Indian MSMEs, fostering innovation, and facilitating collaboration in the defence sector. The event provided valuable insights, networking opportunities, and partnerships that are essential for strengthening India's defence manufacturing capabilities and achieving self-reliance in defence production.

Key Learnings:

Importance of MSMEs: MSMEs play a crucial role in driving innovation, agility, and cost-effectiveness within the defense sector. Their contributions range from niche technological solutions to large-scale manufacturing capabilities.

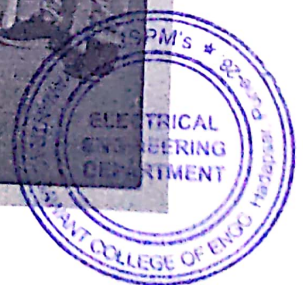

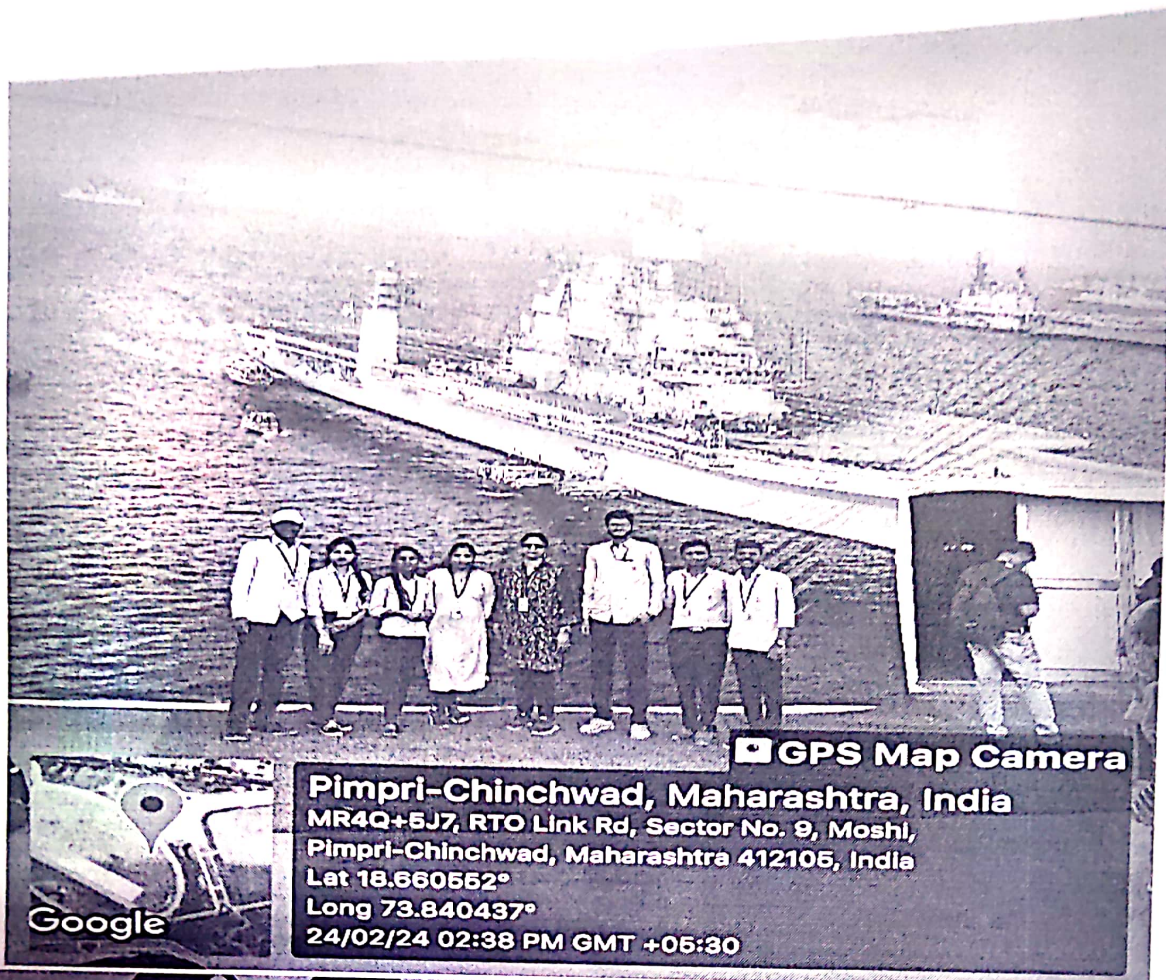

Technology Transfer and Collaboration: Collaborative efforts between MSMEs, academia, and larger defense contractors are essential for fostering innovation, knowledge exchange, and skill development.

Government Support: Policies and initiatives such as offset requirements, defense procurement procedures, and funding schemes significantly impact the growth and sustainability of MSMEs in the defense ecosystem.

Government Support: Policies and initiatives such as offset requirements, defense procurement procedures, and funding schemes significantly impact the growth and sustainability of MSMEs in the defense ecosystem.

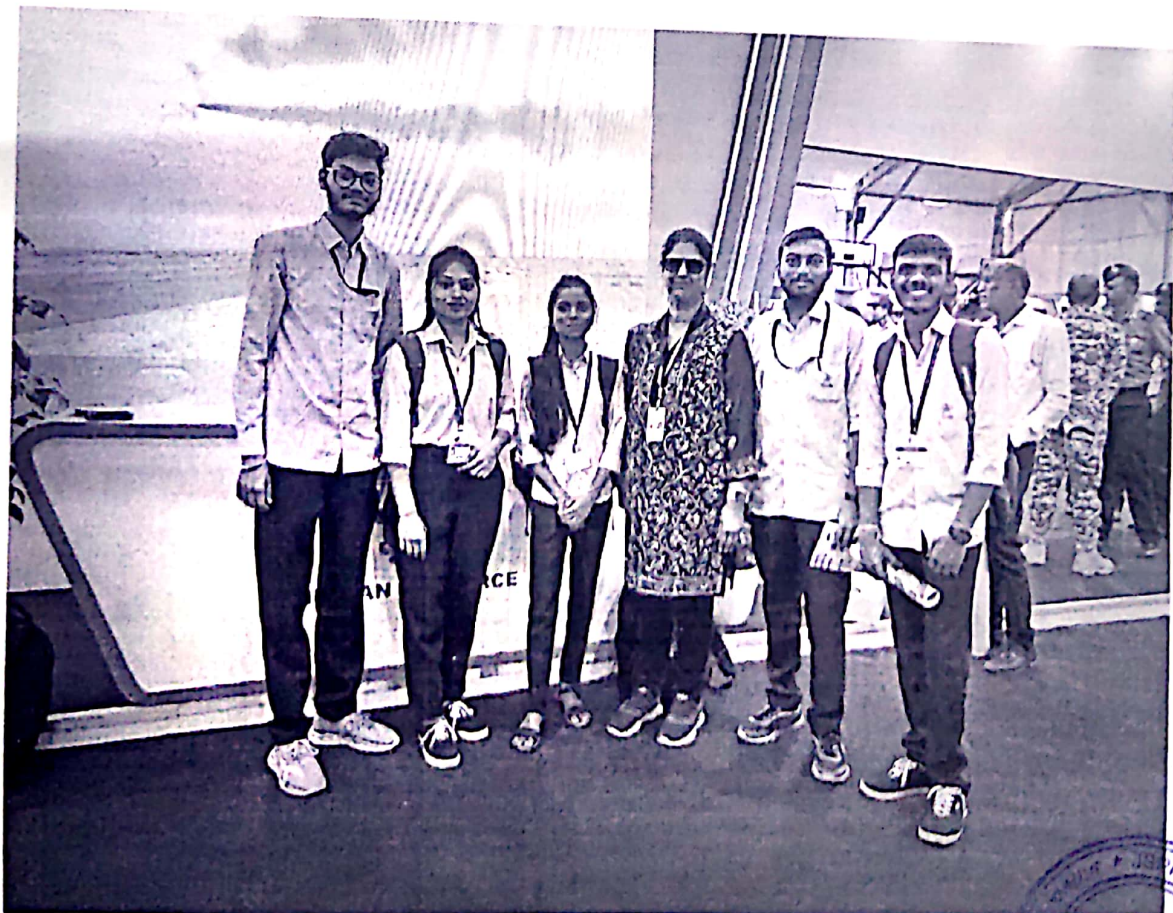

Glimpses of the Event: Staff, Dean and Principal Sir at the Expo

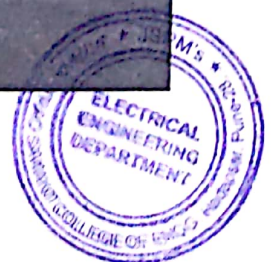

Various Innovative Ideas in Defense Sector

Student explore the various ideas during visit

Key Highlights:

Technology Demonstrations: Several MSMEs showcased their innovative products and solutions, ranging from unmanned aerial vehicles (UAVs) to advanced armor materials. Live demonstrations provided us with a firsthand experience of these technologies in action.

Industry Talks and Panel Discussions: Renowned speakers from both the public and private sectors shared their insights on topics such as indigenization, Make in India initiatives, and challenges faced by MSMEs in the defense domain. Panel discussions offered a platform for fruitful exchanges of ideas and perspectives.

Networking Opportunities: We had the chance to interact with representatives from various MSMEs, defense contractors, government agencies, and academic institutions. These interactions enabled us to build professional connections, exchange contact information, and discuss potential collaborations or internships.

Research and Development Showcases: Some exhibitors presented ongoing research projects and collaborative ventures with academic institutions. These showcases provided valuable insights into the role of academia-industry partnerships in driving innovation and technology transfer.

Conclusion Remark :

- Attending the MSME Defense Expo in Pune was an enriching experience for our students.
- We gained valuable insights into the state-of-the-art technologies, industry trends, and opportunities for future engagements.
- The expo served as a catalyst for our understanding of the defense sector's dynamics and reinforced our enthusiasm for pursuing careers in defense-related fields.
