Academic year (2019-20) Semester-II
India Science Festival - Student's Visit

Introduction

A one day science exhibition visit for students of Second Year (SE) and Third Year (TE) Electronics & Telecommunication department has been organized at Indian Institute of Science Education and Research, Pune on 11th January 2020 to attend India Science Festival (ISC). College provided pick and drop bus facility to the students.

Purpose of Visit

To make student's aware about current research going on in the field of science and technology. ISC organized sessions of 50+ speakers from around the globe and exhibits like Brain controlled Helicopter, Autonomous Vehicle, Racing with AI vehicles and AI generated art etc.

IISER Science Fest

This year's major themes are artificial intelligence and neuroscience with additional focus on life sciences, astronomy, quantum physics, policy and popular fiction. Notable speakers are VS Ramchandran, Indian neuroscientist, Harvard's Venkatesh Murthey, Chairman of AICTE Anil Sahasrabudhe, Sriram Rajamani of Microsoft India, Narendra Ahuja from University of Maryland and 50 influential names from the globe. Student's attended sessions on topics like "Technologies for Development: Can Cloud and AI Cross the Digital Divide", "New models of doing and funding science-What the future holds" and Exhibit Talks like "AI Driverless car-Ati Motors" etc.

Outcome

Students really enjoyed the sessions and exhibit demonstrations and have shown confidence in deploying the knowledge gained in their Engineering Academics.
