“Effective Communication using Power Phrases and How to overcome Stage Fear”

The JSPMs JSCOE, Department of Electronics and Telecommunication Engineering organized a webinar on “Effective Communication using Power Phrases and How to overcome Stage Fear” on 11th July 2020. **Mr. Abrar Ahmed Hafiz**, Quality Manager at Flex, was invited as a resource person for webinar.

The session starts with welcome note by **Prof. Tanuja Zende. Dr. R. D. Kanphade**, Principal Addressed to participants. Head of the E&TC department **Dr. C. A. Manjare** guided participants to improve communication skills using power phrases and reduce stage fear so students can get a good job.

In webinar Mr. Abrar sir discussed on types of communication skills and that can be improved by using power phrases. Some power phrases he has explained in details also suggested and shared two reference books for preparation of interview. Most of students having technical knowledge but due to stage fear students couldn't speak; he has explored how to reduce this fear. He has suggested whenever you will get any opportunity to speak without any fear.

Total 148 students, Faculty members from other college and state also participated in this webinar. After question answer session, vote of thanks given by Prof. Varsha Patil to Mr. Abrar Ahmed Hafiz for his informative session.

Guidelines for Effective (Public) Speaking

Know your audience

— knowing your audience makes the experience easier:
Knowing as much as you can about their knowledge, their age, the number of people you will be lecturing or speaking to.

If you get some idea of what they hope to achieve from the speech, then that will help you to prepare in a more effective way.
