Title: How to Write Quality Research Papers.

Objective of Session:

- The primary aim of the session was to Learn the key components of a research paper, including abstract, introduction, methodology, results, discussion, and conclusion.
- Develop a well-defined research question and objectives for impactful research.
- Learn how to find, analyse, and synthesize relevant research papers.
- Learn proper citation techniques and plagiarism detection tools.

Description :

The Department of Information Technology at JSPM's Jayawantrao Sawant College of Engineering, Hadapsar, organized a guest lecture on How to Write Quality Research Papers on 13th March 2025. The session was conducted for students to learn the key components of a research paper, including abstract, introduction, methodology, results, discussion, and conclusion. The session was conducted by **Prof. Dr. C.A.Manjare**, an experienced faculty member from the Electronics and Telecommunication Engineering (ENTC) Department.

About the Speaker :

- M.E.(Electronics)
- Ph. D .(Electronics)
- Teaching Experience: 25 Yrs.

Speaker explained following points

1. **Understand the Research Paper Structure –**
Learn the key components of a research paper, including abstract, introduction, methodology, results, discussion, and conclusion.
2. **Identify a Strong Research Problem –**
Develop a well-defined research question and objectives for impactful research.
3. **Conduct Effective Literature Review –**
Learn how to find, analyze, and synthesize relevant research papers.
4. **Maintain Academic Writing Standards –**
Understand clarity, coherence, and proper citation techniques (APA, IEEE, etc.).
5. **Improve Research Methodology –**
Select appropriate research methods and data analysis techniques.

Student Participation and Interaction

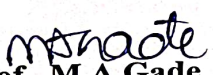

The session witnessed active participation from IT department students. Several queries related to research methods, Citations, publication process, plagiarism and Ethical issues were addressed by Prof. Dr. C.A.Manjare. The discussion also covered best practices for maintaining records for accreditation purposes.

Glimpses of the session

Outcomes:

- Draft a Well-Structured Research Paper.
- Develop a Clear Research Problem.
- Conduct a Comprehensive Literature Review
- Use Proper Citation and Referencing.

Subject: - Letter of Appreciation

Dear Mam,

On behalf of the Department of Information Technology JSPM's JSCOE Hadapsar we extend our heartfelt gratitude for delivering an insightful and enriching guest lecture on "How to Write Quality Research Papers."

Your expertise in the field, coupled with your ability to simplify complex concepts, made the session highly informative and beneficial for all attendees. The strategies and methodologies you shared will undoubtedly assist our faculty and students in improving their research writing skills and enhancing the quality of their publications.

We sincerely appreciate your time and efforts in sharing your knowledge with us. Your guidance will undoubtedly contribute to improving our curriculum delivery and assessment practices.

Thanking You,

Prof. M.A. Gade
