e : Expert Talk On Study Abroad a Gateway to Global Carrier Opportunities

Objective of Session :

- **Provide detailed information about various international education systems, including universities, courses, and degrees available in different countries.**
- **Explain the application processes, entry requirements, and timelines for different educational institutions abroad.**
- **Offer insights into the job market, career prospects, and employment opportunities in various countries.**
- **Provide information on scholarships, financial aid, and funding opportunities available for international students.**
- **to educate students on how studying in a foreign country can open up numerous global career paths**

Description :

The Expert Talk on "Study Abroad: A Gateway to Global Career Opportunities" is organised by department of Information Technology on 23th August 2024 . The session commenced with a warm welcome from the speaker, Mr Nikit Shah, an experienced professional in international education and career counselling. To engage the audience and set a lively tone for the discussion, the speaker initiated an interactive quiz related to global education and career opportunities. This activity not only broke the ice but also allowed the students to assess their current knowledge about studying abroad. As an added incentive, the first three students who answered correctly were awarded special gifts, creating an enthusiastic and competitive atmosphere among the participants.

About the Speaker:

- Director of Shah Overseas
- He is a Stanford University alumnus
- He holds Master's Degree in Electrical Engineering

The Expert Talk is arranged for TE and BE IT students. Total 79 students have attended the Expert Talk.

Speaker explained following points

Benefits of Studying Abroad:

- Exposure to diverse cultures and ideas.
- Enhancement of language and communication skills.
- Development of a global network of professional contacts.
- Increased employability and career prospects in a global job market.

llenges and How to Overcome Them:

- Coping with cultural shock and adapting to a new environment.
- Financial planning and managing expenses.
- Navigating different education systems and academic expectations.
- Tips for building a support network in a foreign country.

Choosing the Right Destination and Institution:

- Factors to consider when selecting a country and university, including language, culture, cost, and academic offerings.
- Insights into various scholarship opportunities and financial aid options available for international students.
- The importance of researching and applying early to secure a place in preferred programs.

Visa and Immigration Guidance:

- An overview of the visa application process for various countries.
- Common pitfalls to avoid when applying for student visas.
- Tips for preparing for visa interviews and maintaining immigration status.

Career Opportunities After Studying Abroad:

- Exploring various career paths and opportunities available to international graduates.
- How studying abroad can enhance a resume and make candidates more attractive to employers.
- The role of internships, part-time jobs, and networking in securing employment post-graduation.

Top Universities and Programs:

- Information on top universities and their key programs.
- Rankings and reputation of institutions.

Application Process:

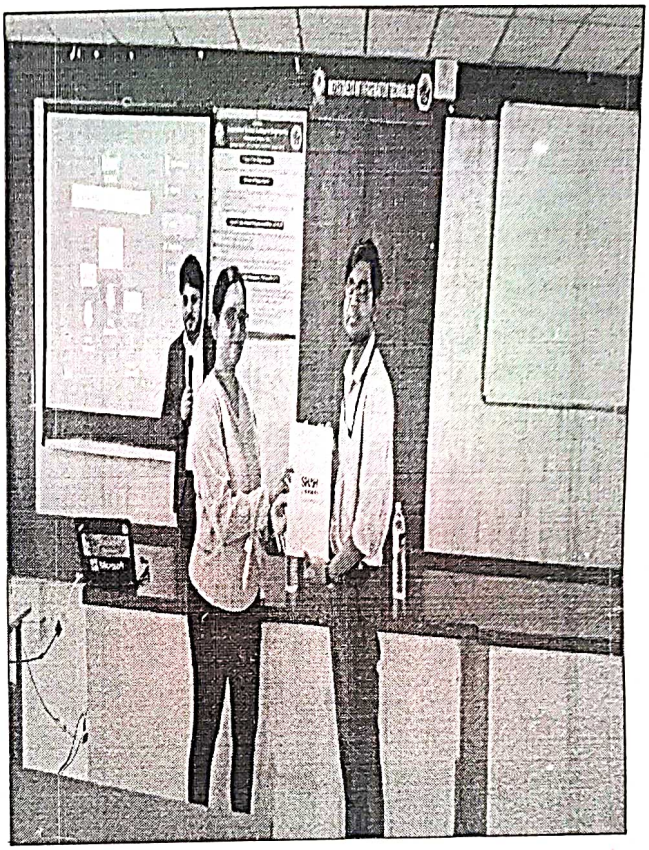
- Detailed guide on the application process for various countries.
- Key components of applications: personal statements, recommendation letters, entrance exams (GRE, GMAT, TOEFL, IELTS, etc.)..

Soft Skills Development:

- Emphasizing the importance of adaptability, resilience, and networking.
- Workshops on problem-solving, teamwork, and leadership skills.

Prof. S.A.Bagul is faculty coordinator for Induction Program feedback is taken from all the students.

session



Outcomes :

- The expert talk successfully enlightened students about the myriad opportunities that studying abroad presents.
- Participants left with a better understanding of the benefits of international education and a clearer vision of how to pursue such opportunities.
- The interactive quiz and the gift prizes set a positive tone for the event, encouraging student engagement throughout the session.
