Title : Induction Program On Transformative Beginning Ignite Your Journey to Success

Objective of Session :

- **To introduce students to the department and its culture.**
- **To provide an overview of the academic structure and expectations.**
- **To offer insights into placement opportunities and training provided by the department.**
- **To inspire students to embrace their engineering journey with a transformative mind-set.**

Description :

The IT department successfully organized a one-day induction program for the first-year engineering students, titled "Transformative Beginning: Ignite Your Journey to Success." The program aimed to inspire and guide the new batch of students, ensuring a smooth transition into their academic journey. The event covered key areas, including department introduction, academic briefing, placement opportunities, and motivational sessions.

Details :

1. Welcome and Opening Remarks by HOD, IT Department:

Dr. Sudhir Rangari welcomed the students and delivered an introductory session about the IT department. He outlined the department's activities, including academic, co-curricular, and extra-curricular events that help students in holistic development. He also emphasized the department's vision and how it strives to provide a nurturing environment for students to thrive.

2. Academic Overview by the Academic Coordinator:

The Academic Coordinator provided detailed information about the academic framework followed by the IT department. This included a breakdown of the curriculum, grading system, attendance requirements, and the support systems in place for students.

3. Placement Activities by the Training & Placement (T&P) Coordinator:

The T&P Coordinator gave an informative session on the placement process, opportunities, and industry tie-ups the department has. Students were made aware of the skills required to excel in interviews and internships, along with the roadmap for placement preparation.

4. Guest Speech: "Transformative Beginning: Ignite Your Journey to Success" by Mr. Ankit Jain:

About the Speaker :

- Transformation Coach
- He Completed his B.tech in Computer Technology

- He Completed MBA in Leadership and Strategy from Deakin University ,Australia

Speaker explained following points

Guest Speaker Mr. Ankit Jain delivered an inspiring and motivational talk titled "Transformative Beginning: Ignite Your Journey to Success". His speech focused on the importance of setting clear goals, embracing challenges, and maintaining a growth mind-set. He encouraged students to seize every opportunity that comes their way and to persist in the face of adversity.

Key Highlights:

- Importance of perseverance, dedication, and self-belief.
- Setting and achieving personal and academic goals.
- Overcoming challenges through determination and innovation.

5. Student Reflections:

In the final session, students were invited to share their thoughts and experiences from the induction program. Many students expressed their excitement and newfound motivation to embark on their engineering journey. They appreciated the opportunity to hear from experienced professionals and gain clarity on what lies ahead in their academic career.

6. Surprise Gift Distribution:

The department selected four students based on their active participation during the session and awarded them with surprise gifts as a token of encouragement.

7.Laboratory Visits

The induction program concluded with guided visits to various IT department laboratories, where students explored:

- **Linux Lab**: Introduction to operating systems and open-source software.
- **Multimedia Lab**: Insights into digital media production and design.
- **Internet Lab**: Understanding networking concepts and web technologies.
- **Software Lab**: Exposure to software development and programming and RPA.
- **Hardware Lab**: Hands-on experience with computer hardware and electronics.
- **Project Lab**: Overview of project-based learning and innovation initiatives.

Total 112 students have attended the Induction Program.

Prof. S.A.Bagul is faculty coordinator for Induction Program feedback is taken from all the students.

Glimpses of the session

Outcomes :

- Students gained a clear understanding of the IT Department's structure and the academic support available.
- The induction program successfully motivated students, fostering a sense of belonging and excitement about their academic journey.
- The lab visits provided first-hand experience of the facilities, encouraging students to explore practical applications of their learning..
