**Feedback Analysis of Webinar on "Robotic Process Automation".**

Sr.No.	Name of Participant	1. Have you understood the basic Knowledge of Robotics Process Automation from this Webinar ?	2. Is this Webinar helpful for addressing technical concepts?	3. Is this Webinar helpful for designing engineering problems?	4. Is this Webinar is useful for investigation of complex problem?	5. Use of modern tools.	6. Does Webinar knowledge fulfill the society needs?	7. Whether the Webinar knowledge helpful in societal and environmental context.	8. Whether the Webinar is following professional ethics and engineering practices.	9. Have you realized importance of individual & teamwork?	10. Have you realized importance of effective communication?	11. Have you realized importance of Management principles in interdisciplinary applications?	12. Does the Webinar is a lifelong learning experience to you?	13. Is this Webinar helpful for solve problems address in challenges of IT industry?	14. Is this Webinar helpful for software design and development?	15. Is this Webinar helpful for implementing interdisciplinary applications?
