Dear Sir,

We, Jayawantrao Sawant College of Engineering Hadapsar, Pune are one of the members of JSCOE Educational Institutes. JSPM Institutes is the manifestation of the social corporate response to enable the youth, primarily the rural youth to optimize their potential and contribute to National Development by imparting quality education to them.

As a part of curriculum, our S.E. Mechanical students are required to visit a **Boiler Plant** in this academic year. Your esteemed organization can very well explore them in this regard. Hereby, I request you to permit our students to visit your organization. This endeavor will be also helpful in developing an Industry - Institute interaction. So kindly give us permission for Industrial visit on 30th December 2022. Total numbers of students are 91 along with 4 faculty members. We assure to you there will be no violation of rules of your organization by students.

We look forward for your positive response and co-operation.

Thanking you.
