Expert Session on

“Data Analytics & Machine Learning
using Splunk”

Mr. Ashish Maind
Tech Lead, Zensar Technologies

Date: 29 Mar 2025,
Time: 08:30 am

Venue: C 305

Hon. G. T. Sawant	Dr. Sanjay Sawant	Dr. V. A. Bugade	Dr. R. D. Kanphade	Dr. P. A. Patil	Prof. Mahesh Shinde
Secretary TSSM	Campus Director	Campus Director	Principal JSCOE	HOD Mech	Coordinator

Date: 27 Mar 2025

To,
Mr. Ashish Maind,
Sr. Splunk Developer (Data Analyst),
Zensar Technologies, Pune

Subject: Invitation as Expert Guest Lecture

Greetings from JSPM's JSOE!!!!

JSPM group of Institutions has established Jayawantrao Sawant College of Engineering (JSOE) as a second campus at Hadapsar, Pune in July 2004. Our department has an intake of 180 seats for UG, 24 seats for PG with Design Engineering as a specialization. Also, we have a well-established Ph.D. Research Center. Our institute is affiliated with SPPU, Pune. The vision of our department is to be recognized as a center of education for aspiring mechanical engineers catering to ever-changing needs of industry and society.

With your vast and in-depth knowledge in the area, we are pleased to invite you for the expert lecture on **"Data Analytics & Machine Learning (Cloud-Based) using Splunk"** for Third Year Students in the Department of Mechanical Engineering, JSPM's Jayawantrao Sawant College of Engineering, Hadapsar, Pune dated **29 Mar 2025 at 08.30 am to 10.30 am.**

Your expertise and knowledge in the area will add great value to the students who require guidance and path-breaking ideas to lead their way through the tough competition in the global market.

We look forward to your presence and guidance.

Thank You.

One Page Report

Name of Expert	Mr. Ashish Maind
Designation	Tech Lead
Name of Industry	Zensar Technologies
Date of Expert Session	29 Mar 2025
Time	08:30 am to 10:30 am
Class	TE A
No. of Students Present	33
Takeaways	<p>1. Understanding of Splunk Basics: Students gain a foundational understanding of Splunk, including its architecture, components, and how it can be used for log analysis and data visualization.</p> <p>2. Data Analytics with Splunk: Explore how Splunk can be leveraged for data analytics, including searching, filtering, and analyzing large datasets to extract valuable insights.</p> <p>3. Introduction to Machine Learning in Splunk: Provide an overview of the machine learning capabilities within Splunk, showcasing how it can be used to detect patterns, anomalies, and trends in data.</p> <p>4. Data Visualization and Reporting: Emphasize the importance of effective data visualization and reporting using Splunk. Showcase how to create dashboards and reports to communicate insights to stakeholders.</p>

Subject: - Expression of Gratitude for Your Enlightening Session on “Data Analytics & Machine Learning Using Splunk”

Dear Ashish,

I trust this letter finds you well. On behalf of the Mechanical Engineering Department, JSCOE Hadapsar, I would like to extend our sincere gratitude for your invaluable contribution as a guest speaker during the recent session on Data Analytics & Machine Learning Using Splunk for our third-year students.

Your expertise and insights not only captivated our students but also provided them with a comprehensive understanding of the applications of Splunk in data analytics and machine learning. Your ability to communicate complex concepts in a clear and engaging manner greatly enhanced the learning experience for all attendees.

The real-world use cases and best practices you highlighted have undoubtedly equipped our students with practical skills that are essential in today's dynamic technological landscape.

Moreover, your willingness to address questions and engage in meaningful discussions demonstrated your commitment to fostering a rich learning environment. The feedback we have received from both students reflects the positive impact of your session, and we are confident that the knowledge gained will prove beneficial in their academic and professional journeys.

We recognize the time and effort you dedicated to preparing and delivering such an insightful presentation, and we are truly grateful for your contribution to our students' education. Your passion for the subject matter was evident, and it served as an inspiration to all in attendance.

Once again, thank you for your outstanding presentation and for being an integral part of our academic community. We look forward to the possibility of collaborating with you again in the future.
