SE Induction Program:

JSPM's Jayawantrao Sawant College of Engineering, Department of Mechanical Engineering organized the "**SE Induction Program**" on Wednesday, 7th August 2024 for the SE Mechanical students. The program's objective is to inform SE students about new academic year 2024-2025 Sem-I planning & execution, department internal assessment policy (Continuous Assessment Sheet), and Campus Readiness Training activity to face placement drive for software as well as core industry.

Address by Mechanical HOD:

Head of Department Dr. P. A. Patil welcomed students. 12 graduate attributes of engineering courses were made aware among all students. Also instructed about the importance of discipline in professional courses. Information regarding the new academics was given to all students, which includes the following points:

- Department web portal
- Importance of workbook for SPPU exam.
- Conduction of quizzes in a classroom to ensure concept understanding.
- Lab rubrics and assessment policy for a new academic year.
- Importance of project based learning (PBL) activity for development of skillset as well as placement point of view.
- Details of continuous assessment sheet as a part of departmental internal assessment policy.
- Showcased clubwise achievement.
- The placement of statistics of previous year and ongoing year was highlighted.

Q & A session and Vote of Thanks:

The question and answer session was taken care by Dr. P. A. Patil. The program concludes with a vote of thanks.
