Introduction

JSCOE –MBA department organized one day webinar on “Challenges and Opportunities of Entrepreneur during COVID-19 Lockdown”. Invitation sent by department to Management faculties across Maharashtra. For circulating the messages we employed used wide array of social media platform like Facebook, Whatsapp, and Mail etc. Apart from this we implemented widely used E conferencing platform called ZOOM with stupendous result. Around 100 participants across different management Institute across Maharashtra participated in this session

Objective:-

- To give orientation and importance of entrepreneurship during COVID19 lockdown.
- To know the latest challenges & opportunities during the lockdown period.
- To explain the necessary skill set required to compete in the academic and entrepreneurship field in the modern era post-COVID19 lockdown scenario

Date & Time: - Monday 27-04-2020

Attendance: - 100 [Faculty as well as Student]

Agenda: - Challenges and Opportunities of Entrepreneur during COVID-19 Lockdown

Workshop overview:-

The Session was segregated across three different sections. Starting with the current scenario of entrepreneurship due to COVID 19 lockdown followed by the different strategies implemented by the teaching fraternity to elevate the enterprising spirit amongst the budding entrepreneur. The last section extended the opportunity for active interaction between speaker and academicians.

Outcomes:-

- The session outlined the intrinsic information on the modern framework of entrepreneurship with the critical dimension of innovation amplified in it.
- It was meticulously structured to cover the essential dimensions of entrepreneurship traits in the post Covid 19 era in the stipulated session time of two hours.
- The seasoned knowledge attained by the esteemed speaker during this serial entrepreneurship ventures helped the audience with the contemporary reform to be brought in post Covid-19 period

Speaker profile:-

Name of Speaker: -

Mr Shivanand Mohan

(Sr. Consultant, Larson & Toubro).

He is an Alumnus of BITS Pillani and IIM Calicut. Having been the part of the founding team of two start up is ability to thrive in volatile uncertain complex and ambiguous environment. Shivanad is currently working with Govt. of India and Govt. of Maharashtra by spreading awareness of digital Learning Techniques in rural Maharashtra. Currently he's heading the learning and development department of Larson and Turbo at Chennai
