## **Introduction**

JSCOE –MBA department organized one day webinar on the topic “Interpreting Skills: Making of a Manager out of Man/Woman” on 9 th May 2020. Invitation sent by department to Management students across Maharashtra. For circulating the messages we employed wide array of social media platforms like Facebook, What Sapp, Mail etc. we received more than 400 registration requests for the webinar, but due to the restriction of number of participant onlyfirst 100 participants attended the webinar. We implemented widely used E conferencing platform called ZOOM with stupendous result. Around 100 participants across different management Institute across Maharashtra participated in this session

### **Objective:-**

- To impart the orientation and importance of employability skills in today’s era.
- To examine the names of contemporary skillset to succeed as a complete Manager.
- To elaborate the pivotal role played by the skillset in complementing the hard skills to succeed in post-educational phase.

**Date & Time:** - Saturday 09-05-2020

**Attendance:** - 100 [Faculty as well as Student]

**Agenda:** - Interpreting Skills: Making of a Manager out of Man/Woman

### **Workshop overview:-**

The Session was segregated across two different sections. Starting with the current scenario of Industry followed by the different skills required to become a good Manager. The last section extended the opportunity and challenges to handle the team in Organization.

### **Outcomes:-**

- Emphasis on the cognitive skills as a contemporary tool to develop a holistic managerial individual.
- Application of contemporary skillset to troubleshoot various complex business scenarios.
- Attainment of synergy between hard skills gained in academics and the contemporary
