There has also been significant gaps in rainfall where Pune has received extremely high rainfall almost all day in a cloud burst. This, in turn, has caused some of the rain to fall in the form of hail which has led to the deaths of several people in the city and its surroundings. The rain is expected to be in the form of rain and drizzle in the next few days.

The replica of Amritsar's Golden Temple or Harmandir Sahib created by Chhatrapati Raja Ram Mandal at Sullabadi Path in Pune, Pune.

Our intention was only to honor the Sikh faith. I found it exemplary that, at the temple, there was no VIP given or special seating. Everyone was equal. Prayers were clean, there was discipline. There was no class system as people came as one and offered seva. After experiencing it for three days, I was deeply moved.

Members of the SGPC are expected to visit the city on Friday afternoon and will then visit the Ram Mandal office in Kothrud. It is believed that they will then visit the replica of the Golden Temple. The SGPC members are visiting Pune mandal today to inaugurate the replica of the Golden Temple.
