

Innovations in Teaching Learning Processes

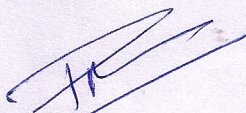

Name of Method: Dumb charades (Learning through Acting)																
Description:- Think-Pair-Share (TPS) is a collaborative learning strategy in which students work together to solve a problem or answer a question about an assigned reading. This technique requires students to (1) think individually about a topic or answer to a question; and (2) share ideas with classmates.																
Suggested By :- Mahesh Gaikwad																
Reproduced By:- All Subject Teachers of Theory of Machines I																
Implemented From:- AY 2019-20 (Sem-II)
