

5.2.1 Percentage of placement of outgoing students and students progressing to higher education during the last five years

HEI Input:

| 2021-22 | 2020-21 | 2019-20 | 2018-19 | 2017-18 |
|---------|---------|---------|---------|---------|
| 440 | 439 | 398 | 383 | 358 |

Note:

As per institute record DVV suggested data is number of placed students ,including the number of students progressed to higher education the data is filled in changed input and supporting document attached

1) Year wise list of placed students and students progressed to higher education

Percentage of placement of outgoing students and students progressing to higher education
during the last five years

| Year | Total no. of outgoing Students | Total no. of Students Placed | Total no. of Students going for higher education | Total Students (Placed +Higher Education) | Percentage of students (%) |
