Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell (IQAC) is a committee that focuses on improving the quality of education and academic processes, aiming to enhance institutional functioning and achieve academic excellence.

Roles and Responsibilities of IQAC Committee:

- Ensuring timely, efficient and progressive performance of academic and administrative tasks.
- Ensuring the relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Innovation and integration of modern methods of teaching and learning.
- Ensuring the credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.
