Department of Electrical Engineering

Vidyut E-Newsletter April 2K19 Volume 3 Issue 2

Chief Editor
Dr. P.N. Gokahle (H.O.D Elect)

Student Editor
Payal Chaudhari, Saurabh Sawant

Our Motivators

Knowledge only Liberates and technical education has been the core for the development of society and humanity. Educational Institutions at JSPM are committed for imparting time based and value added quality learning

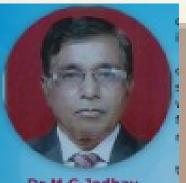

It is our endeavor at JSPM to make students learn through involvement and commitment. We believe that quality education it the only way for molding students into successful engineers.

Modern technology helps us in efficient learning process. At JSPM, we set up and adopt all available modern methods to see that students learn the fundamentals of the technology they have chosen.

For learning, right environment is required and this is available at all our JSPM campuses.

Apart from classroom teaching and lab works, we believe in overall development of the students. We have adopted the mentor scheme where in each faculty member takes care of fifteen students and has to take the volley of peer group. We emphasis also on presentation skills and innovative projects to be carried out by the students.

At JSPM we make the learning process like ritual that attracts the students to our institutes. We are totally committed for overall development of student fraternity as we know that they are the only future growth generators of the world.

Dr.M.G.Jadhav Principal JSCOE

Positive attitude is very important in our life

What is inside your mind will always comes out, whenever life squeezes us. When some one offends us and if anger pain, fear comes out of us that means our mind is full of negative things. Life may squeeze us in role of our parent, brother, sister, children, boss etc.

Once we take away all this negative thing which we don't want in our life and replace them with love, we find living a highly functional life

Dr. P. N. Gokhale, Head Electrical Engineering Dept

Electrical Engineering is the largest and most diverse technological field in the world. The Department of Electrical Engineering offers undergraduate Electrical Engineering, one of the Core Engineering Branches. With rapid Industrial growth in the Country the requirement of electrical engineers has tremendously increased in Power Sector and Industries in private, and Government companies. This has resulted in opening of enormous opportunities for graduate Electrical Engineers.

The department has 14 faculty members and about 225 undergraduate students and well equipped laboratories. Our faculty members are experts in the areas they teach. Not only do they provide a solid grounding in the academic theories and concepts of their specialty, they also provide the students challenges facing their discipline. They provide the students the right balance of theory and practice. We emphasize team work to give opportunity to each student to benefit from the ideas and intelligence of their classmates.

NSS Activities

Candle March and CRPF Fund Raising Program

In unfortunate incidence of coward attack at Pulwaama district of Jammu and Kashmir on 14 February 2019, 40 braveheart soldiers of CRPF were martyred. To express deep condolences towards them and to help CRPF welfare fund, small program consisting of candle march and fund raising was arranged by NSS volunteers. Total amount of Rs 37000/- was raised for the cause.

Instructional and Google Instruction Instruction Instruction Inspection Instruction Instruc

Blood Donation Camp

On 21st January 2019 and 28th January 2019, a blood donation camp was organized by the NSS in the Jayawantrao Sawant College of Engineering at Hadapsar for the Mallikarjun Blood Bank, Solapur and Poona Serological Institute Blood Bank, Pune in the presence of Dr. M. G. Jadhav (Principal, JSCOE), Dr. V. A. Bugade (Director, Hadapsar Campus), Prof. Sanjay Sawant (Assistant Director), Prof. Ashish Lagad (NSS Program Officer). The inauguration was done by Dr. M. G. Jadhav. 188 students and staff members donated blood. Refreshment was offered by MESA members and NSS volunteers. Certificates and donor cards were issued to blood donors. NSS volunteers were divided into various committees for the easy functioning of the program. Doctors from blood bank were also present if any donor required any further medical help after donating blood. The program was conducted efficiently with team work

Kerala Flood Relief Fund Raising Program

NSS Volunteers along with faculties and students have organized Kerala Flood Relief Fund Raising Program in institute campus on 11th September 2018. Total amount of Rs 36000/-

Anatrnad 2K19

Bollywood Day

Group day

Mismatch Day

Antarnad is a cultural event organised every year by JSPM Managment.

Students from electrical department had actively participated in antarnad 2K19. Various event such as dance, fashion show etc were arranged at JSPM campus.

Inauguration of the event was been done by Hon Principal Dr. Jadhav. All the HOD's and staff were present at the event and also had actively participated in the event

Traditional Day

Techhmanthan 2K19

Technical quiz

Best From Waste

Techmanthan- A National Level Technical Event is celebrated every year in JSPM campus

For year 2017 Department has conducted three events:

- •Best From Waste Competition
- •Technical Quiz Competition Students from department had actively participated in the event and made it a grand success.

Inauguration of various activities were done by various dignitaries.

HOD and staff also had actively

HOD and staff also had actively participated in the event
