HOD'S Message

Department of Information Technology is prepared to meet the challenges and is playing a leadership role in shaping the education by providing unique educational and research opportunities in the forefront of Information Technology, Computer Engineering and their applications. The students are focused with the use of conceptual understanding of core domain areas in Computing as well as enhanced programming skills disseminating their analytical abilities. Our aim is to provide our students the lifelong learning, leadership skills, communication and social environment that enable them to grow in their professions and advance to positions of responsibility by effective Industry-Institute Interaction. The Department has an excellent placement record and the placed students are in prestigious software industries all over the world.-

Alumni at Remarkable Positions in India and Abroad
