**Certificate Sample :**

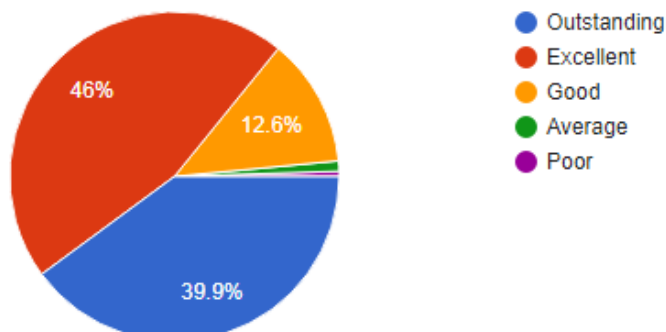

### Feedback Analysis :

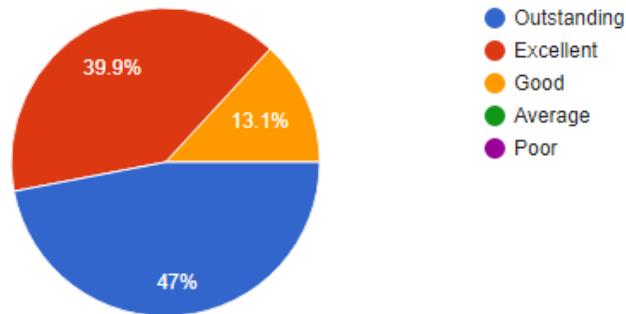

1. The objectives of the webinar were clearly defined.198 responses

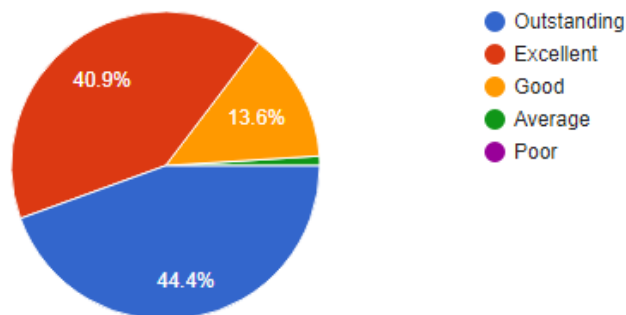

2. Participation and interaction were encouraged.198 responses

### 3. The topics covered were relevant to audience.198 responses

### 4. The content was organized and easy to follow.198 responses

## Sample Suggestions

1. Everything was properly managed!!!..Was so useful even for future reference!!
2. don't know but seeing today's presentation I am thinking that Every link I receive is a phishing attack. Students need more knowledge to believe on What is true or legitimate or what is false.
3. Please create group of cyber security domain, because many of us having interested in these field. But due due to lack of proper guidance there is no any opportunity
4. Amazing
5. All were good
6. It was nice
7. I would love to attend more webinars of this sort.
8. Awesome guidance sir really thank you!!!
9. More seminar expected for social awareness
10. Very nice session . It will be very helpful informative and useful for us in future.

11. Thanks to all for such a wonderful and helpful session.
